Quiet and Serene — Private custom home on quiet lane located just minutes from Fort Bragg. Wonderful open floor plan with skylights, open-beam ceilings, and gleaming wood floors. There is distinctive custom cabinetry in the kitchen and relaxing decks outside. A second studio unit comes with an attached workshop that could be converted to a separate bedroom or left for those special projects. Main house has warming oil heat and permanent foundation. The grounds, with mature and established plantings, are dominated by a majestic, old-growth Redwood tree large enough to stand within. Privacy fencing and end-of-the-road placement grant a quiet and serene setting.
