CLEONE

INCREDIBLE DEAL!

Very nice, well-priced wooded parcel. Redwood, Fir & Pine. Subdivision is complete. The Well is in, good gravel road, wet weather test done. There are approved septic plans from Carl Rittiman. There are water tanks for CDF water storage, as per new subdivision requirements. This parcel is out of the coastal zone and ready to build. Owner may carry with a reasonable down.

\$149,000
