COMPTCHE

COME & CREATE YOUR PARADISE!

Surrounded by lush forest, this custom designed redwood geodesic dome strategically located on a ridgetop, takes advantage of inspiring distant views. The home on 44.63 acres has alot of character with a loft bedroom, triangular skylights, wood floors and redwood slab countertops. It is off the grid and ready for Solar. If you're looking for a spot to be self-sufficient, sustainable and green, this is it! There are cleared sunny areas throughout waiting for gardens. Come and create your paradise! Owner will carry.
