Excellent opportunity to own a well established, successful retail jewelry store in Mendocino Village. At the same location for 18 years, the Mendocino Sandpiper has loyal repeat customers both locals and visitors alike.

Conveniently located on Main St. in Mendocino Village, the shop draws people in on their way to the famous Headlands park. Good landlord with reasonable long term rent.

The attractive open entrance has a great view into the brilliantly lit shop, which has unique antique fixtures, and several spotless, well lit glass display cases containing popular lines of jewelry with exclusives in Mendocino. Well secured doors with Deep Valley security system and an interior security surveillance system using 4 cameras monitoring and taping. www.mendocinosandpiper.com
