WESTPORT

ONE OF LOWEST PRICED OCEANFRONT CURRENTLY ON THE COAST

Rare oceanfront, single level home in the town of Westport.

The owner, a quality-minded contractor has recently

completed a hand crafted stone, gas fireplace in the living room and has done extensive remodeling including new insulation, sheetrock, electrical, plumbing, foundation work, paint, new doors, and new dual paned windows.

The kitchen has been beautifully remodeled, new cabinets, counters, all new stainless steel appliances including a professional stove. And the work continues on this oceanfront diamond in the rough. This home is connected to the city of Westport sewer and water. Enjoy the sound of the surf, expansive sunsets and the night sky from the hot tub behind the glass enclosed deck.
